- Reduces Anxiety & Depression

DOSAGE & ADMINISTRATION

For teen girls, one tablet daily with food.

OVER DOSAGE

In case of accidental overdose, call a doctor or poison control center immediately.

SIDE EFFECT

Constipation, diarrhea or upset stomach may occur. These effects are usually temporary and may disappear as your body adjust to this medication. If any of these effects persist or worsen, contact with your doctor. Iron may cause your stools to turn black, an effect that is not harmful. Allergic sensitization has been reported following oral administration of Folic Acid.

PRECAUTION

Folic Acid alone is improper therapy in the treatment of pernicious anaemia and other megaloblasticaemia where Vitamin B12 is deficient.

CONTRAINDICATION

This product is contraindicated in patients with a known hypersensitivity to any of the ingredients.

DRUG INTERACTION

No such drug interactions have been reported.

USE IN PREGNANCY & LACTATION

Not indicated for use by pregnant & lactating mothers.

STORAGE CONDITION

Store in a cool (below 25° C) and dry place protected from light and moisture. Keep this out of reach of children.
