

# Freezy™

Extract of Mentha Piperita,  
Cinnamomum Camphora &  
Wintergreen oil

*Instant relief from  
blocked  
noses*

## COMPOSITION

Freezy™ Nasal Inhaler Stick: Each gm contains Extract of Mentha Piperita (as Menthol) 415.40 mg, Extract of Cinnamomum Camphora (as Camphor) 415.40 mg, Extract of Wintergreen oil (as Methyl salicylate) 122.70 mg.

## PHARMACOLOGICAL ACTION

Menthol is a decongestant that helps to unblock a congested nose and also reduce irritation in the mouth and throat. Camphor is another decongestant that can also work as a cough suppressant. Wintergreen Oil helps to remove germs from infected areas and relieve the illness.

## INDICATION

Indicated for nasal congestion or blocked nose.

## DOSAGE & ADMINISTRATION

Adults and children over 12 years: Used by inserting the inhaler into each nostril, holding the other nostril closed and inhaling deeply. It can be used as frequently as needed.

## SIDE EFFECTS

Temporary burning, stinging, dryness in the nose, sneezing may occur.

## CONTRAINDICATIONS

Hypersensitivity to the active substance or any of the excipients. Not recommended for children under 12 years of age.

## DRUG INTERACTION

None known.

## PREGNANCY & LACTATION

There is no evidence to indicate that this product should not be used during pregnancy and lactation.

## STORAGE

Store at cool & dry place below 25° C temperature away from direct sunlight & moisture. Keep the medicine out of the reach of children.
