INDICATION

Filwel[®] Gold is indicated for the prevention and treatment of vitamins and minerals deficiencies. As a complete daily nutritional supplement Filwel[®] Gold is also indicated to meet the increased demands for vitamins and minerals.

DOSAGE & ADMINISTRATION

One tablet daily with food. Not formulated for use in children.

CONTRAINDICATION & PRECAUTION

This product is contraindicated in patients with known hypersensitivity to any of the ingredients.

Long term intake of high levels of vitamin A (excluding that sourced from beta carotene) may increase the risk of osteoporosis in postmenopausal women.

SIDE EFFECT

Generally, this preparation is well tolerated. Diarrhoea may occasionally occur during treatment with beta carotene and the skin may assume a slightly yellow discoloration. The side effects of vitamin A are reversible. Vitamin C and vitamin E may cause diarrhea and other gastrointestinal disturbances.

DRUG INTERACTION

No drug interactions have been reported.

USE IN PREGNANCY & LACTATION

Recommended by the consultation with physician.

STORAGE

Store below 25°C in a dry place protected from light. Keep the container tightly closed. Keep out of reach of children.
